# Worship & Prayer

*Youth With A Mission*

## A week of equipping

Often we think: "If only I had the time and opportunity I'd really like to learn more about prayer and worship." Well, this is your chance!

Together with others from a variety of churches and organizations we will make the most of a week set apart to learn and apply the lessons given by experienced and inspiring speakers.

This course is a cooperative effort between two Youth With A Mission ministries located in Heerde, Holland: The Worship Ministry and the Prayer Center.

The beautiful nature surrounding the "Heidebeek" base provides a place to retreat from our busy society and spend time with the Lord. You are more than welcome here at YWAM Heidebeek!

## Worship and prayer go together!

It's like the two wings of a bird - both are necessary to fly and move forward. It has been said that worship is simply singing your prayers to God.

Worship and prayer are the trademarks of a Christian's walk with God but they were never intended to stay within the church walls. A life filled with worship and prayer will change the world!

Together we'll embark upon the adventure of hearing God's voice and giving Him glory through a deepening lifestyle of worship and prayer.
